FLUMSER BERG

From home directly onto the slopes Your SwissPass to also a ski pass.

S-Bahn: From mid-December 2024, the IR35 Aare Linth runs hourly and every day from Bern to Zurich Main station and on to Chur, stopping at Unterterzen. The S17 from Rapperswil reaches Unterterzen hourly and every day directly in 37 minutes. From St. Gallen, the S4 has a direct connection to the S17 in Uznach. With the S25 and a change to the S17 in Ziegelbrücke you can also reach Unterterzen and the gondola SeeJet. More about the S-Bahn connection: www.sbb.ch **Postauto:** From Sargans station, the post bus takes you via Flums into the winter sports area. An even more convenient way to get to the ski slopes and then back home again

Car: Flumserberg can also be reached quickly and easily by car. There are numerous parking spaces on Flumserberg as well as at Oberterzen and Unterterzen. Parking is subject to a charge. More information at:

Rules of behaviour

Please respect the FIS rules, signals and barriers. The slope and rescue service only monitors and controls marked and open slopes and runs. Bergbahnen Flumserberg AG expressly disclaims any liability. For safety reasons, the slopes may neither be walked on by pedestrians nor used by sledges.

Outside the railway operating hours, the slopes and runs are closed and not protected from any hazards such as avalanche dispersion or piste machines with cable winches or tillers.

Danger to life and limb!

Note the times of the last slope check. It is forbidden to use slopes and runs for ascents and descents that are closed or barred.

It is forbidden to drive or walk in the wildlife quiet zones It is forbidden to drive or walk in the wildlife quiet zones marked in green. Violators will be fined and have their ticket taken away in accordance with the general terms and

What should I do in the event of an accident?

Contact the nearest lift or railway station or contact the SOS number +41 81 720 15 19. Be as precise as you can about the location of the person who had the accident.

A fee is charged for the rescue of winter sports enthusiasts who have had an accident. Searches are also subject to a fee and are at the expense of the person being searched.

Winter hikes

Go softly through the winter wonderland

35 kilometres of well-prepared winter footpaths lead through snow woods and offer breathtaking views of lakes and mountains. There are several temptingly cosy mountain restaurants to stop at. You can find more information and tips on the pocket card

Ski touring on the slopes Get an extra flyer for more information!

..at day time from 08.00 – 17.00 hrs

Ski touring ascends on Flumserberg are allowed on the marked (signpost) and prepared Spiga-slope Nr. 1. People have to ascend behind one another alongside the slope. Skiing operations need to be respected at all times. All the slopes (incl. Nr. 1) are closed outside operation hours.

..at nighttime Thu, Fri, Sat until 21.00 hrs

ne Spiga-slope Nr.1 is officially open every Thursday, Friday and very Thursday and Saturday until 21.00 hrs. In order to guarantee ritched on headlamps and only on the marked Spiga-slope Nr.1

1 1 1 1

Ascents and descents only permitted on piste 1 and at one's own risk and responsibility. Attention! All other slopes are closed from 17.00 to 08.00 hrs. Danger through winches and avalanches blasting on all other slopes and areas.

Cross-country skiing

Attractive choice of trails for cross-country skiers Our trails (classic and skating) take you through idyllic scenery and snowy woods from 1400m above sea level to 1800m above sea level. They promise a unique view of the surrounding mountains. At the restaurant Sennästube, there are changing rooms, toilets, cloak-rooms and a heated waxing room available for cross-country skiers free of charge. Tickets can be purchased on site. The sport shops in Tannenheim and Tannenboden provide you with the

When the night becomes an experience

Fun on the Chrüz slope after dark will reach new dimensions. In the new Flumserberg Galaxie, night-time descents become even more extraordinary with fascinating multi-coloured skiing or snowboarding fun for your senses. Assisted by the magic of light art, we will whisk you off to remote galaxies whether you are on or off the slopes. Let's all join together to extend the boundaries of terrestrial night-time skiing. The extra-terrestrial adventure takes you as usual from the space station of the chairlift Chrüz on the Chrüz slope to Tannenboden.

Diving into the Flumserberg Galaxie

Fridays (from 27.12.2024 to 07.03.2025) and on three Saturdays: 28.12.2024, 15.02.2025 and 22.02.2025 (in good snow and weather conditions) from 18.30 to 21.30 hrs.

Sledging fun

Prodalp-Tannenheim sledging run

Race down our exciting sledging run into the valley and feel the snow blowing on your face is great fun for young and old. The sledges for this adventure can be hired on site. This sledging run is moderate and not suitable for small children, dogs are not allowed.

Sledge transport

Sledges can be carried on the following lifts: gondola SeeJet nd Prodalp-Express. Gondola BergJet and chairlift Panüöl - only sledge transport of small children.

Children's sledging slopes

For the little ones, there are two children's sledging slopes for free use on Prodalp and Tannenboden.

Snowshoeing

Official SwitzerlandMobility snowshoe routes

Freshly snow-covered forests and meadows, a magnificent panorama and you right in the middle of it all. Strap on your snowshoes and take a tour on one of the three officially signposted snowshoe trails on the Flumserberg. The trails lead you from Prodalp to Panüöl and back or from Panüöl with a oop to Plattis and back to Panüöl.
